Elementary General Music is a required class 4-6. 7th Grade Music is required for 7th grade students that are not in Band or Chorus. Students will receive a grade on their report cards for these classes each marking period. Grades 4-6 meet once per cycle and grade 7 meets every other day.

Students will explore Music in a variety of ways over their course of study in these classes including; singing, basic instruments, composing, improvising, and much more. Students will have opportunities to use our new Music Lab to learn piano, guitar and other instruments. Technology will be integrated in our studies but all with the goal of guiding students to find the Music from within themselves.
